# EITC PRE-K SCHOLARSHIP PROGRAM

To support families with the high cost associated with high-quality childcare, United Way accepts corporate contributions and donations that provide scholarships for pre-kindergarten students. Contributions for the 2021-2022 fiscal year were provided by: **People's Bank, A Codorus Valley Company, UPMC HealthPlan, and Avalon Insurance.** Generous support was provided by York County Early Learning Investment Commission and community donations.

**32** children

**\$55,170** awarded

I am writing to express my sincere gratitude to you for making the United Way Scholarship possible to not just my family, and I, but all families around the area! I was very excited to learn of Everly's selection for the Scholarship the first time we applied, as well as many times after that. We were deeply appreciative of your support.

— An Extremely Grateful Family

# C is for Community, A United Way of York County Alphabet

As a gift to United Way of York County, Author Anthony Fredericks and Illustrator Lindsay Barrett George created the book “C is for Community” to inspire young people to consider how they can help their communities. More than just a children’s book, “C is for Community” is an invitation to a conversation about making a difference in the world around you. The book encourages readers to become interactive members of their communities and includes localized illustrations from York County. In 2022, 1,200 copies were printed locally at Maple Press and distributed county-wide.

 **1,200** books

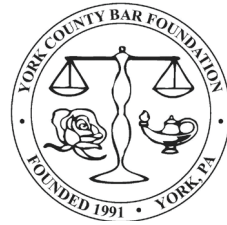

**“I want kids to come away with a sense of enthusiasm. We wanted to let kids know that no matter what your age or economic station in life, you can make a difference. You can change the world one effort at a time.”**

**— Anthony D. Fredericks, Author**

# TRUANCY PREVENTION INITIATIVE

The Truancy Task Force is co-chaired by United Way of York County and the York County Office of Children, Youth, and Families.

# ATTENDANCE AWARENESS MONTH

**“Thank you United Way for your installing a Kindergarten Here We Grow Reading Ready Corner filled with books and activities for our incoming kindergarten students. This is such a wonderful way to show the importance of instilling a love of literacy during the early years of our students’ lives!”**

**— Angela Ashley, Supervisor of Instruction, The School District of the City of York**

## READING READY CORNERS

Since 2014, Reading Ready Corners reach children who otherwise may not have access to age-appropriate books. Bookshelves are placed and filled in offices where families wait for an appointment or service to encourage parents and children to read together and take a book home with them.

In collaboration with York City School District, a new kindergarten readiness and transition Reading Ready Corner was launched in 2022. The corner has kindergarten transition and readiness books, materials, and resources for children and their families. Our first location was launched in 2021 at Martin Library.

**11** reading corners

**4,715** books distributed

# YOUTH COURT ALLIANCE

The goal of Youth Court Alliance is to divert families from entering the Magisterial District Court for truancy citations and reengage truant students. Youth Court Alliance is a program of United Way of York County in partnership with the York County Truancy Prevention Initiative and the York County Office of Children, Youth, and Families.

**77.5%** of participants successfully completed Youth Court Alliance.

**82.6%** of all successful cases had no unlawful absences while they were enrolled in the program.

**89.2%** of parent/guardians said that their child is attending school more regularly.

**96.4%** of students said that Youth Court Alliance helped them understand the impact of truancy.

“ The Northeastern High School Community has truly benefited from the partnership with the Youth Court Alliance. Our students with attendance concerns have had those concerns addressed through a positive, not punitive, intervention in which they are able to understand the importance of good attendance and benefit from positive mentorship. Youth Court is also open to students seeking more understanding about court proceedings or belonging in a club atmosphere. Any student can volunteer with Youth Court and it has become a sought opportunity for many of our students. We would like this partnership to continue for years to come!”

— Ms. Kimberly Bell, Northeastern School District
